

WHAT IS TESOL?

TESOL stands for Teaching English to Speakers of Other Languages and encompasses what used to be called TEFL and TESL.

Gain Real Teaching Experience

This TESOL program includes 10 hours of in-class practice teaching training, in which you will have the chance to apply your new skills from class with real ESL students. Begin preparing for your new life as an English teacher abroad! Upon graduating, opt for an internship teaching with us.

"Not only do I get to share my skills, knowledge, and enthusiasm; in return, I have immersed myself into someone else's home, discovering places, and contributing to the lives of amazing natives. I love teaching English to both children and adults. It has opened my eyes to how important it is to communicate and learn new languages. I highly recommend learning with Hibiscus TESOL for a wonderful, eye-opening experience." -Miranda, March 2019
